

McKinney-Vento Homeless Program

This program assists Whiteside County school districts in identifying homeless students and providing families with assistance to meet educational needs. This is a sub-grant funded program. McKinney – Vento and the PLT CUSD # 3 District makes every effort to assist with the removal of barriers for school success and advocates for the rights of homeless students. Other services provided include purchasing of school supplies, assistance with tutoring and after school programs, health referral services, student record requirements, and parent education. You can contact Konnie Fry at 1-815-438-2255 if you or someone you know qualifies for assistance with this program.
